Health and Safety

We take your health and safety very seriously. However, please note that a substantial part of the premises is now a building site and there are a number of new dangers about.

Please take note of and obey ALL safety signs.

Keep clear of the builders and building works at ALL times. Treat these areas as unsafe at all times.

Watch out for builders working at high levels and avoid being beneath where they are working.

Obey instructions given by builders.

The Wingate Club is unique in that we have large leafy secluded grounds where you can sunbathe, play, sit and chat and smoke. There are a number of areas on the bush hillside where you can rest and play, including the outdoor platform bed.

Our large outdoor swimming pool, outdoor spa and friendly customers makes the Club a great place to be during summer.

Privacy and Discretion

We value your privacy. Unfortunately to get the rebuild done as quickly as possible, it is essential that the builders are able to continue working during our opening hours. We have put up temporary fencing to provide for your privacy. There will, however, still be times when our yard is able to be viewed by builders.

Should you feel harassed by any of the builders please notify management immediately. Do not take matters into your own hands.

On the other hand, we ask all our customers to be discrete and not flaunt themselves or harass the builders.

Anyone found deliberately causing problems in this regard will be asked to leave until the rebuild is completed.

Holiday Period Hours

We are open EVERY day of the year, including ALL public holidays.

We are open on Christmas Day, Boxing Day, New Year's Day and the Day after New Year.

Our hours are 12 noon to 12:30am the next morning. (We may close earlier if there are no customers.)

Parking

Please park on the street side of the carpark as much as possible. There is plenty of unlimited on-street parking available, but please keep the neighbours' driveways clear at all times.

There is also no parking in front of our garage. Please keep the building side of the carpark clear for the builders. You may be asked to move your vehicle if it is in the builder's way.

Damage caused to vehicles by parking in builders' areas is NOT our responsibility and neither we nor the builders will be liable for damage to your vehicle.

Christmas 2013

Rebuild Update

The temporary toilets and showers proved to be a much larger task than originally thought. We had to get them lifted over the fence which happened on the afternoon of Friday 20 December. They will be put into position in the next few days near the temporary fence and connected to water, waste and power services. The "old" showers and toilet will remain in operation for a little while longer. When they are no longer available, the door from the lounge will be locked and a sign placed on the door.

A start has been made on the demolition with about half the roofing iron already having been removed. Work will continue over the holiday period except for the public holidays

New Year's Eve party

A meal will be available from 7pm on New Year's Eve. (31 December 2013)

Cost: \$8 per large plate, \$4 per small plate.

Job Vacancy Receptionist

We have a vacancy for a **casual receptionist**. There is a regular shift available from 7:30 pm to close on Saturday nights. Other shifts available from time-to-time to cover other staff on leave, sick etc. Duties include serving customers, handling payments, some cleaning and other duties. Please email your name and contact number to:
job@wingateclub.co.nz

Preliminary rebuild plan. This is not yet final, so there may be changes.
